**TO ALL DEPARTMENT OF DEFENSE (DOD)-APPROVED HOUSEHOLD GOODS
CARRIERS AUTHORIZED TO SERVICE VOLUME MOVEMENTS**

Ladies and Gentlemen:

This Volume Move Solicitation letter announces the following interstate volume movement in accordance with Chapter V of the Military Traffic Management Command Domestic Personal Property Rate Solicitation D-7. Unless stated otherwise, the provisions of the rate solicitation, and reissues thereof apply. The attachment is the request for volume movement.

The following information is provided:

The alternation clause applies in all volume moves, i.e., the acceptance of a volume move tender does not negate the provision where two rates (volume move rate and the carrier's current rate) are applicable; the Government is entitled to the lesser of the two rates in all cases. Be advised that when offering shipments, the personal property shipping offices will consolidate shipments whenever practical.

In accordance with Item 502, the rate shall be expressed as a percentage of the Military Traffic Management Command Domestic Personal Property Rate Solicitation. For example, if a carrier wishes to offer a 10 percent reduction, the rate submitted would be 90 percent. The percentage is to reflect reduction in linehaul, packing, accessorial services, and any other services relevant to shipments of this volume movement, excluding full replacement protection, pickup or delivery transportation rates applying on SIT shipments at destination, any accessorial services performed in connection with destination SIT, and third-party services.

Competitive volume move tenders will be received from qualified DOD-approved carriers and forwarders. Volume movement traffic will be awarded to those low rate responsible carriers and forwarders whose tenders are responsive, most advantageous to the Government, and have the ability to comply with required delivery and performance schedules associated with this volume move. Carriers in traffic denial during any portion of the volume move award process will not be considered.

Carriers are required to handle the minimum amount of tonnage expressed in pounds per day for each volume move. The minimum amount of tonnage for these volume moves is 40,000 pounds per carrier, per day, per channel. Volume move tenders showing less than this minimum will be rejected.

Please submit your bids to Headquarters, Military Traffic Management Command, ATTN: MTPP-PP-R, Room 10N67, 200 Stovall Street, Alexandria, VA 22332. I am forwarding a copy of this letter to PPSO Fort Leavenworth, KS, Fort Carson, CO, JPPSO Colorado Springs, CO, PPSO Fort Campbell, KY, PPSO Fort Stewart, GA, PPSO Fort Drum, NY, PPSO Fort Bragg, NC, PPSO Fort Hood, TX, JPPSO Fort Belvoir, VA, JPPSO Fort Lewis, WA, HQDA Washington DC (DALO-TSP-PP), and GSA.
